

# A guide to third party costs

**Ecclesiastical**  
PLANNING SERVICES

Our plans cover the funeral director's costs as shown in the plan details. As long as your requirements don't change and your selected funeral director carries out your funeral, these costs are covered.

The plans can also include a contribution towards third party costs. Third party costs are often referred to as third party charges or third party disbursements. These costs are paid on your behalf to third parties for any arrangements not provided by the funeral director themselves, such as:

- **Cremation or burial fees**
- **Doctor's fees**
- **Minister's or officiant's fees**

Third party costs are outside of your funeral director's control and therefore cannot be guaranteed. If these costs, as shown in the plan details, are not covered by the plan value at the time of need, there will be a balance to pay. Please refer to the Terms and Conditions for more information.

When comparing funeral plans online, please be aware that there can be significant regional variations in third party costs.
